07/31/2020 :
Golfers, it is getting close to Match Play competition which will commence on September 1st. Entry fee is $10 for the prize money and of course, you will make your own matches against your opponents. Entries and fees must be **mailed** to me by August 25th. There will be two flights with the winner of each flight playing for the Championship.

The major change this year will be in your handicap as the new GHIN system changes your index on a daily basis. I will set up the initial pairings but golfers must check their index on the day they play. That index will be the one you use. If you win your match please try to schedule the next one by the next week. Good luck to all and we'll have a good tournament.

The defending champion is Barry Gussow. You can see the 2019 results on our website BSMGC.CLUB
